46 Vassilissis Sofia Avenue
11528 Athens
GREECE

TEL: +30-210-7281000
FAX: +30-210-7281111

Brussels, 7 April 2015

Dear Valued Customer,

Further to our news flash in January, we are pleased to send you more information on:

**The 18th Planova Workshop
22nd and 23rd October 2015**

The participants are welcome to spend nights in this Athens' prestigious hotel at a special rate during the period of Workshop as well as a night before and after the event.

Hereby you will find the information on confirmed Chairs and Speakers.
More information on presentation will be provided in our next news.

On top of presentations by actual users, Global Planova Team will display posters and provide brochures on our products for new users of Planova. This exhibit gives an equally interesting aspects to current users.
The Team will also provide information on the products in pipeline for all users.

For further information, please contact Asahi Kasei Bioprocess Europe:
