Registration fee: EURO 200 (excl. VAT)

Registration fee includes workshop attendance, lunch, coffee break, and dinner

Hereby you will find the information on confirmed Chairs and Speakers. More information on presentation will be provided in our next news. On top of presentations by actual users, Global Planova Team will display posters and provide brochures on our products for new users of Planova. This exhibit gives some equally interesting aspects to current users.

The Team will also provide information on the products in pipeline for all users.
