

The 2nd PLANOVA™ Seminar in Moscow

12th May 2016, Brussels

Dear Valued Customer,

Asahi Kasei Bioprocess Europe is pleased to announce the 2nd Planova™ Seminar in Moscow:

Date: 6th and 7th of September 2016

Venue: Hotel Metropol Moscow (2 Teatralniy Proezd 109012, Moscow, Russia)

Distinguished speakers will make presentations on the most up-to-date virus filtration techniques and the latest trends in the industry. Our Technical Director and virus filtration experts from pharmaceutical companies in Europe will offer a hands-on practical seminar on the use of Planova filters. We will welcome participants from the leading Russian pharmaceutical companies, and we are planning various networking opportunities following the seminars.

Featuring

- Simultaneous interpretation in Russian and English will be available for all presentations
- Participation is **FREE OF CHARGE**
- Demonstrations of Planova filters
- Networking Lunch/Dinner

The 2nd Planova™ Seminar in Moscow will be a source of inspiration and innovation for you. Further programming details and a list of speakers will be available soon. **SAVE THE DATE** in your agenda now! Register by expressing your interest to the representative who distributed this announcement or to y.isono@akbio.eu (in Russian or English).

Our entire team looks forward to meeting you and your colleagues in Moscow.

Yours sincerely,

Takamitsu ESHIMA
Managing Director
Asahi Kasei Bioprocess Europe
