

PLANOVA™ SEMINAR 2020 TURKEY

ISTANBUL, 8 APRIL 2020

Dear Guests,

We are pleased to invite you to the Planova™ Seminar 2020 in Istanbul, Turkey.

Planova™ Seminar 2020 Turkey
Park Dedeman Levent Hotel
Istanbul, Turkey
8 April 2020

The goal of the seminar is to improve your knowledge of virus removal by filtration. Distinguished experts will present case studies with Planova™ filters and will discuss the downstream process development and manufacturing processes of biological products. It will be an excellent networking event to gain new insights and learn about advanced technology that can be applied to your processes.

Our experts will provide practical hands-on demonstrations of the use of Planova™ filters. Take advantage of this superb opportunity to deepen your understanding of real-world virus filtration. Event attendees are professionals in the fields of regulation, process development, pathogen safety, quality and manufacturing.

There are no registration fees for seminar participants, who also receive a special rate at the Park Dedeman Levent Hotel during the seminar.

To register for this seminar, send an email using the attached registration form to Ms. Pinar Carkci at p.carkci@akbio.eu

More information will be shared in the 2nd announcement and on our seminar website: <https://planova.ak-bio.com/workshops/>

We are looking forward to seeing you in Istanbul.
Sincerely,

Brussels, 2 December 2019

Nobuo Nakano
Managing Director
