

The 3rd PLANOVA™ Seminar in Moscow

Dear Valued Customer,

We are pleased to announce that the 3rd Planova Seminar will take place in Moscow on the following date and at the following venue:

19 November 2018

AQUARIUM HOTEL Moscow (at the site of the Crocus City International Exhibition Complex)

This year, our 3rd Planova Seminar will be held during the same week as the Pharmtech & Ingredients exhibition. Make use of this opportunity to combine your visit to Pharmtech & Ingredients with a visit to our seminar!

Our distinguished speakers and users of Planova virus removal filters will share their experiences and expertise in downstream process development and the manufacture of biological products. It will be an excellent opportunity to gain new insights and learn about advanced technology that can be applied to your process. Our filtration experts will provide hands-on practical training about the use of Planova filters.

The seminar will be followed by various networking opportunities with participants from leading Russian Pharmaceutical companies.

General information:

- ✓ All presentations will be in both Russian and English
- ✓ No participation fees apply: this is FREE OF CHARGE
- ✓ Demonstration of Planova filters
- ✓ Networking Lunch and Dinner

A detailed programme and the speakers will be announced very soon, but please SAVE THE DATE in your calendar straight away! You can register by sending an e-mail to Mr Edin Mezetovic at e.mezetovic@akbio.eu in Russian or in English.

Our entire team is looking forward to meeting you and your colleagues in Moscow.

Yours faithfully,

Nobuo NAKANO
Managing Director
